Chapter 1

Introduction

1.1 Background

Give some random background and just keep talking. This is meant to be a few lines to see if the compiler can just a huge amount of information handle until it is the end of the paragraph. So I just need to keep typing and adding stuff. I think this should be enough to handle for now.
Lets see if this still works.

1.2 Literature Review

1.2.1 GPS

Subsection   Talk about the GPS history
vspace1cm Keep talking in the next paragraph

1.2.2 Compass

Lets talk about the compass
